FIESTATECH AGENDA

1:00p	1st Base Gate	Registration/Check-In Opens
1:30p	Suite 312 Mike Piazza Suite	Holistic Predictive Maintenance at Scale <i>Siemens</i> Discover how Siemens Senseye and Drivetrain Analyzer Cloud enable predictive maintenance at scale, automatically forecasting machine failures and detecting the most common motor issues without requiring expert knowledge. Reduce downtime, cut costs, and shift from reactive fixes to proactive performance.
1:30p	Suite 314 Pedro Martinez Suite	IO-Link : Discover Opportunity with a New Technology <i>Electro-Matic</i> This seminar will discuss how IO-Link offers a more efficient way of controlling and monitoring motor starters and other common components inside of a control cabinet. It will also demonstrate how IO-Link offers a much more efficient approach that can be easily implemented regardless of whose automation system is specified.
2:00p	Party Pavilion	Exhibitor Trade Show Opens (until 6:00pm)
2:30p	Suite 312 Mike Piazza Suite	Extreme Environments Enclosures from Hoffman <i>Hoffman</i> Join us to discover how Extreme Environments Enclosures deliver the rugged protection your equipment needs to survive scorching temperatures, relentless sun, and harsh weather. Learn the features and benefits of these enclosures and how they provide unmatched durability, even in the most unforgiving climates.
2:30p	Suite 314 Pedro Martinez Suite	What's New in Siemens Circuit Protection & Controls <i>Siemens</i> Learn about the latest in Siemens Circuit Protection & Controls.
3:30p	Suite 312 Mike Piazza Suite	Built for Performance: Inside Our Custom Panel Capabilities and New UL 1008 Standard <i>MCA</i> Don't miss this opportunity to learn how the team at Mission Controls & Automation delivers custom-engineered control panels designed to perform for you. You'll explore our streamlined processes and capabilities as well as our newly achieved UL 1008 certification. Gain insight into what makes UL-certified equipment so trusted, and why partnering with a certified builder elevates every project you take on.
3:30p	Suite 314 Pedro Martinez Suite	Integrating Ethernet/IP into Siemens Automation ET 200SP I/O <i>Siemens</i>
5:00p	Party Pavilion Bar	Networking Happy Hour (until 6:00pm)
6:00p	Party Pavilion	Food & Drinks Served
7:05p		1st Pitch!
